

Exchange for Blackberry OS5 Devices

Please follow the instructions below in order to configure Exchange with your Blackberry OS5 devices.

1. From the Home screen on your Blackberry select **Email**, and then select **Options**.

2. Next, select **Advanced Options** and then select **Enterprise Activation**.

3. Enter in your full **email address** and the **Activation Password** provided by your administrator, press the **Menu** button, and select **Activate**. Your device will then state "**Acquiring service connection**" and your device will go through the process of setting up your account.
