

Exchange for Blackberry OS6 Devices

Please follow the instructions below in order to configure Exchange with your Blackberry OS6 devices.

1. From the BlackBerry Home screen, select the **Setup** icon and then select the **Email Accounts** icon.

2. Select **Enterprise Activation**, enter in your **Email Address** and **Activation Password** and then click **Activate**. Your device will then state **Acquiring service connection** and your device will go through the process of setting up your account.
